

2011 Rare Diseases *symposium*

AWAKENING AUSTRALIA TO RARE DISEASES:
Global perspectives on establishing a coordinated approach to a national plan
Esplanade Hotel, Fremantle Western Australia 17 - 20 April 2011

APPLICATION FOR SUPPORT

A very limited amount of funding has become available to provide financial assistance to people living with a rare disease* who are willing to register for the full 3 days of the symposium.

The Local Organising Committee will consider all eligible applications. The decision on the level of financial assistance offered will be based on offering the best support level possible to as many individuals living with rare diseases that the funds permit. The aim is to support the widest representation of rare disease stakeholders to attend and participate in this engagement event.

Submit Completed applications to the Local Organising Committee by FAX to (08) 9222 6820 or email to genomics@health.wa.gov.au with the subject header "LOC: Application for Support" Applications must be received by COB March 31.

Applicants will be informed of the outcome and the level of support that can be offered by 8 April.
